2009 Flower Pot Program

KCB will again offer Flower Pot “Start Up Kits” consisting of a 27.5” pot, potting soil, a hardy shrub, perennials, and annuals for \$240/pot. **All plant material will come from Benken’s Florist & Greenhouse and will be made available for pick-up after April 1, 2009.**

Changeouts will be available at the beginning of each season for \$30/pot, and will consist of season-appropriate annuals chosen from a pre-determined plant palette. The initial pot will contain spring annuals and will consist of tall, mounding and trailing plants. Subsequent changeouts will maintain the same structural integrity (tall, mounding, and trailing).

Plants likely to be included:

Initial / Spring:

- Hardy Shrub – boxwood or holly
- Perennials – lirope, heuchera, myrtle
- Annuals – pansies, dusty miller, dianthus, primrose

Subsequent Changeouts:

Hardy shrub & perennials remain. Annuals are removed and replaced:

Summer: depends on light conditions: begonias, impatiens, petunias, etc.

Fall: mums, cabbage, kale, dianthus, pansies, dusty miller, etc.

Winter: branches and twigs.

Contact Shelly Fuller at 352-4385 with questions.

Steps for Flower Pot Placement:

- Identify the spots – take a walk through your community or business district to ID the locations that you would like to place flower pots.
- With a representative from Traffic & Engineering, walk the chosen locations. They might need to make small changes to the proposed sites to comply with ADA laws, visibility issues, etc. For help, contact:

Gerry Reisert
352-3456
gerry.reisert@cincinnati-oh.gov

- Talk to the property owners and get written permission to place the flower pot in proximity to their property. If you would like the property owner to maintain the pots, you will need to get a written statement from them outlining their intention to do so.
- Apply for the Revocable Street Privilege (RSP) through the Department of Transportation & Engineering.

Mr. Tom Klumb
Real Estate Manager
City of Cincinnati
801 Plum St., Room 122
Cincinnati, OH 45202

- Tally the number of flower pots that you would like to order and send the order form to KCB by March 20, 2009.
