

# COMMUNITY PRIDE FLAGS

## **KEEP CINCINNATI BEAUTIFUL**

Keep Cincinnati Beautiful's (KCB's) mission is to empower all Cincinnatians to build community and create a positive future.

## **SHOW YOUR PRIDE**

*What makes you proud of your community? What do you love about Cincinnati? What's your favorite thing to do in your neighborhood? What's beautiful about Cincinnati? What dreams do you have for your neighborhood?*

Write or draw your answers to one or a few of these questions in the box below!

You'll use this as a draft for your own Community Pride Flag. When you're done getting down your thoughts/sketches, add your reflection to your flag!

## COLLECTIVE ACTION

According to Wikipedia, "**Collective action** refers to action taken together by a group of people whose goal is to enhance their condition and achieve a common objective."

Think about the communities you belong to. Is everyone the same? Do members of your community have different talents and interests? What big problems are facing your community and who might be able to help?

What kind of problems in your community might be solved with the help of collective action? Share some ideas below.
