Keep Cincinnati Beautiful Programs and Resources:

Adopt-A-Spot Program- Is there a place in your neighborhood that could use some extra care? Any individual or organized group or business may participate! Individuals, organizations, or businesses can adopt an area together. All adopted spots must be on public property or in the public right-of-way including traffic islands, city-owned vacant lots, and the right of way between the curb and the sidewalk. We provide you supplies, materials, and an official sign recognizing your efforts.

Great American Cleanup(GAC)- Great American Cleanup has engaged self-led volunteers, community groups, and businesses to combat blight by picking up litter, planting flowers, painting buildings, remediating illegal dumpsites, landscaping, removing graffiti, and more. Registered cleanup initiatives will receive logistical support (suggestions on where, community connections, and post-event trash collection for events within Cincinnati city limits) and volunteer recruitment. We also provide cleanup supplies like gloves, trash bags, recycling bags, yard waste bags, first aid kit(s), hand sanitizer, bug spray, sunblock, litter pickup sticks, and other items as we have inventory.

Don't Dump the Nati- Don't Dump the Nati was started in April of 2023 as a pilot program to see if we could lower the amount of illegal dumping by providing a place for Cincinnati residents to drop off waste for free. Please visit our website to learn what items are acceptable and not acceptable.

New location: 841 W. 6th St. Cincinnati, OH 45203

Dates: DDTN will be from 9am-1pm(weather permitting): 3/27, 4/24, 5/22, 6/26, 7,31, 8/28, 9/25, 10/30, & 11/20

Roots to Boots- Roots to Boots is a paid workforce development program from Keep Cincinnati Beautiful, beginning in 2024, that prepares young adults for careers in horticulture, landscaping, and greenspace management. Designed for Hamilton County residents ages 18–24, the program offers hands-on, in-field experience, skill-building, and exposure to real career pathways and employers in the green economy—no prior experience required.
