

ECO EDUCATOR

KEEP CINCINNATI BEAUTIFUL (KCB)

is an award-winning nonprofit organization that empowers people to build community and create a positive future through neighborhood revitalization, education, and mobilization. Our educators connect children with the environment so they understand the importance of natural resources and how litter affects their community. We provide **FREE classroom presentations, assemblies, field trips and service learning opportunities** designed to complement the Ohio Learning Standards.

SEE ALL OF KCB'S PROGRAM OFFERINGS ON THE FLIP SIDE, AND CONTACT US TO SCHEDULE TODAY!

For detailed descriptions on each program, visit: KeepCincinnatiBeautiful.org/Education

"KCB's programs deliver such an important message to the children--that can then be passed on to the children's families! The presentations are well paced and interactive to keep the attention of our young audience as they learn how to care for our environment."

Eileen Duffy, Teacher,
North Avondale
Montessori
