

**WHO WE ARE**  
 Since 1978, Keep Cincinnati Beautiful has been growing community and environmental stewardship in every Cincinnati neighborhood.

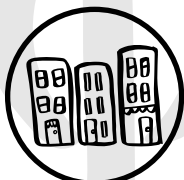

**WHAT WE DO**  
 We are a small grassroots non-profit organization that accomplishes big things through collaboration of our 5 core program areas. These programs are a catalyst for change, transforming under-served neighborhoods and empowering communities to create vibrant spaces that unite our city.

**ENVIRONMENTAL EDUCATION**  
 Bringing nature into classrooms, and students out into nature.

**ARTS**  
 Creating public art that is a catalyst for sustainable community change.

**ENVIRONMENTAL SERVICES**  
 Building partnerships to clean up and prevent pollution.

**GREENSPACE**  
 Ensuring safe, thriving community greenspace for all.

**VOLUNTEER PROGRAMS**  
 Mobilizing volunteers and encouraging community stewardship.

**WHY YOU**  
 People make Cincinnati beautiful. Each unique neighborhood, block, resident, or volunteer contributes in their own way to make our city special, including you! By joining us, you can make a tangible difference in the places you live, work, and play. Our all-encompassing approach provides you and your team with ways to support us that are sure to check everyone's boxes. Have a passion for Education? Together we can establish a foundation for green habits in Cincinnati's Youth. Support the arts by funding a mural installation in an underserved community. If you are looking for a fun way to give back, bring the team out for a company-wide volunteer day where the logistics are handled for you from start to finish. There's something for everyone.
